

$$\Psi^{\text{iTPS}} =$$

$$T_{ijkl}[s] =$$

A diagram of a vertex, represented by a white circle. Four lines extend from the circle, labeled with indices:  $i$  (top-left),  $j$  (top-right),  $k$  (bottom-right), and  $l$  (bottom-left). A thick black vertical line extends downwards from the bottom of the circle, labeled with the parameter  $s$ .
